Enough to Make You Blush-Princess Kali
2015-11-08 Erotic humiliation goes far beyond the "Lick my boots!" stereotype. Princess Kali, a famous former Dominatrix and world-renowned Humiliatrix, throws open the dungeon doors to explore the complex desires that fuel this kind of

psychological play for both dominants and submissives. Using both personal experience and extensive interviews she shares advice and detailed ideas for a broad range of embarrassing, humiliating, and degrading ways to enjoy consensual kinky fun. Also covered are important concepts such as communication, negotiation, consent, triggers, aftercare, and so much

At First Blush-Beth Ellyn Summer 2017-04-04 Finding the perfect lip gloss? Easy. Finding your way in the world? A whole lot harder . . . Who would have thought that a teenager could have a successful career creating makeup tutorial videos on YouTube? For Lacey Robbins, this dream has been her reality. An up-and-coming YouTuber, she has thousands of fans and can't

wait for the day when her subscriber count reaches the one million mark. And when she is offered a high school internship at On Trend Magazine, she figures that this could be the make it or break it moment. But sometimes your dream job isn't all that it seems. Her editor is only interested in promoting junk products, and her boss in the Hair and Makeup department introduces her to the larger world of makeup artistry, making her wonder if making tutorials online is all she is meant to do. To top it all off, when the magazine's feature subject, musician Tyler Lance, turns his broodingly handsome smile her way, falling for him could mean losing her fans, forcing her to make a decision: her YouTube life or her real life? Fans of Zoella's Girl Online will fall right into the world of this YA The Devil Wears Prada and stay hooked from the first blush to the last glossy kiss.

Authentic Kink-Princess Kali 2019-01-23 Kinksters often have to depend on erotica and porn to learn what kink looks and feels like, but

unfortunately that can create a lot of myths, misunderstandings, and accidental mistakes. BDSM is focused on activities, but just going through the motions won't guarantee you'll have a happy, healthy experience. It can take years (and plenty of bad scenes) to help you learn exactly what you enjoy and why. But it doesn't have to if you spend time reflecting on your needs and limits ahead of time. In this workbook, Princess Kali will teach you how to have the most authentic and fulfilling kink experience possible. Over the last two decades in the kink scene, Kali has developed a straightforward method for discovering your most authentic kinky self. Journaling can be a great way to understand yourself. By putting your thoughts down on paper, it can be easier to self-reflect and examine insights more clearly. Exploring kink is a deeply personal experience; this workbook will help you have sexier, safer, more informed adventures. Inside you'll find: Personal evaluation Space to write out fantasies and plans for future scenes Over 100 thought-provoking questions Extensive activity and interest

list Aftercare plan and trigger plan Safewords and other verbal shortcuts Creating rituals and protocols Negotiation form Verbal vocabulary list Kinky wish list And so much more!

The tragedies-William Shakespeare 1874

The Blush Factor-Gun Brooke 2014-02-01 Eleanor Ashcroft is at the top of her game. Revered by stockholders, feared in boardrooms and by employees all over the Eastern Seaboard, her life changes when she decides to restore an inherited makeup company to its former glory. While doing research, Eleanor discovers the YouTube makeup gurus and the most successful channel, "The Blush Factor," becomes her guilty pleasure. She finds the much-younger woman in the videos mesmerizing and profoundly attractive in a way she had never felt about a woman before. Addison Garry loves makeup. A YouTube celebrity, her video tutorials and reviews attract hordes of viewers. When Eleanor wants Addison

to do consulting for her company, Addison needs the money and knows she can't refuse the infamous businesswoman. Working with Eleanor, Addison finds it hard to act strictly professional as she both fears her and dreams of winning her heart. Eleanor in turn realizes that her attraction to Addison is not a mere midlife crisis at all, but looks very much like love.

Your Body-Matthew MacDonald 2009-07-21

What, exactly, do you know about your body? Do you know how your immune system works? Or what your pancreas does? Or the myriad -- and often simple -- ways you can improve the way your body functions? This full-color, visually rich guide answers these questions and more.

Matthew MacDonald, noted author of *Your Brain: The Missing Manual*, takes you on a fascinating tour of your body from the outside in, beginning with your skin and progressing to your vital organs. You'll look at the quirks, curiosities, and shortcomings we've all learned to live with, and pick up just enough biology to understand how

your body works. You'll learn: That you shed skin more frequently than snakes do Why the number of fat cells you have rarely changes, no matter how much you diet or exercise -- they simply get bigger or smaller How you can measure and control fat That your hair is made from the same stuff as horses' hooves That you use only a small amount of the oxygen you inhale Why blood pressure is a more important health measure than heart rate -- with four ways to lower dangerously high blood pressure Why our bodies crave foods that make us fat How to use heart rate to shape an optimal workout session -- one that's neither too easy nor too strenuous Why a tongue with just half a dozen taste buds can identify thousands of flavors Why bacteria in your gut outnumber cells in your body -- and what function they serve Why we age, and why we can't turn back the clock What happens to your body in the minutes after you die Rather than dumbed-down self-help or dense medical text, *Your Body: The Missing Manual* is entertaining and packed with information you can use. It's a book that may well change your

life. Reader comments for Your Brain: The Missing Manual, also by author Matthew MacDonald: "Popular books on the brain are often minefields of attractive but inaccurate information. This one manages to avoid most of the hype and easy faulty generalizations while providing easy to read and digest information about the brain. It has useful tricks without the breathless hype of many popular books."-- Elizabeth Zwicky, The Usenix Magazine "...a unique guide that should be sought after by any who want to maximize what they can accomplish with their mental abilities and resources."-- James A. Cox, The Midwest Book Review - Wisconsin Bookwatch "If you can't figure out how to use your brain after reading this guide, you may want to return your brain for another."-- The Sacramento Book Review, Volume 1, Issue 2, Page 19 "It's rare to find a book on any technical subject that is as well written and readable as Your Brain: The Missing Manual. The book covers pretty much anything you may want to know about your brain, from what makes it up, through how it develops to how to mitigate the

affects of aging. The book is easy reading, fact packed and highlighted notes and practical applications. So if you want to learn more about your brain, how it works, how to get the best out of it or just want to stave off the ravages of Alzheimers (see chapter ten for details of how learning helps maintain your brain) then I can't recommend this book highly enough."-- Neil Davis, Amazon.co.uk "MacDonald's writing style is perfect for this kind of guide. It remains educational without becoming overly technical or using unexplained jargon. And even though the book covers a broad scope of topics, MacDonald keeps it well organized and easy to follow. The book captures your attention with fun facts and interesting studies that any person could apply to their own understanding of human ability. It has great descriptions of the brain and its interconnected parts, as well as providing full color pictures and diagrams to offer a better explanation of what the author is talking about."-- Janica Unruh, Blogcritics Magazine

The New Bottoming Book-Dossie Easton
2011-06-09 Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

If I'm Being Honest-Emily Wibberley
2019-04-23 Mean Girls meets The Taming of the
Shrew in this romantic follow-up to Always Never
Yours Cameron Bright's reputation can be
summed up in one word: b*tch. It's no surprise
she's queen bee at her private L.A. high school--

she's beautiful, talented, and notorious for her brutal honesty. But when she slips up in front of her crush, Andrew, any affection he may have had for her quickly fades. To win him over, Cameron resolves to "tame" herself, much like Shakespeare's infamous shrew, Katherine. If she makes amends with everyone she's ever wronged, Andrew will have to take notice. Thus, Cameron begins her apology tour with Brendan, the guy whose social life she single-handedly destroyed. At first, Brendan isn't so quick to forgive, but slowly he warms to her when they connect over a computer game he's developing. To Cameron's amazement, she actually enjoys hanging out with Brendan; he appreciates her honesty in a way Andrew never did, and she's left wondering: maybe you shouldn't have to compromise who you are for the kind of love you deserve.

The Melody Man-Bruce Bastin 2012-07-02 Joe Davis, the focus of *The Melody Man*, enjoyed a 50-year career in the music industry, which

covered nearly every aspect of the business. He hustled sheet music in the 1920s, copyrighted compositions by artists as diverse as Fats Waller, Carson Robison, Otis Blackwell, and Rudy Vallee, oversaw hundreds of recording sessions, and operated several record companies beginning in the 1940s. Davis also worked fearlessly to help insure that black recording artists and songwriters gained equal treatment for their work. Much more than a biography, this book is an investigation of the role played by music publishers during much of the twentieth century. Joe Davis was not a music "great" but he was one of those individuals who enabled "greats" to emerge. A musician, manager, and publisher, his long career reveals much about the nature of the music industry and offers insight into how the industry changed from the 1920s to the 1970s. By the summer of 1924, when Davis was handling the "Race talent" for Ajax records, he had already worked in the music business for most of a decade and there was more than five decades of musical career ahead of him. The fact that his fascinating life has gone so long under-

appreciated is remedied by the publication of *Never Sell A Copyright*. Originally published in England, in 1990, *Never Sell a Copyright: Joe Davis and His Role in the New York Music Scene, 1916-1978* was never released in the United States and available in a very limited print run in England. The author, noted blues scholar and folklorist Bruce Bastin, has worked with fellow music scholar Kip Lornell to completely update, condense, and improve the book for this first-ever American edition.

The Seduction of Lady Phoebe-Ella Quinn

2019-10-29 Polite society has its rules for marriage. But for Ella Quinn's eligible bachelors, their brides will show them that rules are for the faint of heart . . . Phoebe Stanhope is not a typical Lady. As feisty as she is quick witted, no one can catch her, especially when she is driving her dashing phaeton with its perfectly matched horses. And unlike her peers, experience has guarded her against a growing list of would-be suitors. But when she encounters Marcus Finley, what she fears most burns deep within his blue-eyed gaze . . . For Lord Marcus, the spark of recognition is but a moment in the love he has held these many years. Now that he's returned to England, all the happiness he desires rests on Lady Phoebe never finding out that he was the one who turned her heart so cold and distant. He

must work fast to gain the advantage—to convince her what she wants is exactly what she denies—but in order to seduce her into his arms, he must be willing to give up more than he can control . . . “Lady Phoebe is a heroine Georgette Heyer would adore—plucky, pretty, and well worth the devotion of the dashing Lord Marcus. A marvelous find for Regency romance readers.” —Grace Burrowes, New York Times bestselling author

Second series of Imaginary conversations:Dialogues of sovereigns and statesmen. Five dialogues of Boccaccio and Petrarca [the Pentameron]-Walter Savage Landor 1876
